

Riviera Villagers Seek Delay In Decision on Parking Meters

Riviera Village merchants and professionals are hoping for a reprieve on the parking meter installations okayed by Redondo City Council last week.

Despite vigorous opposition by Riviera Village people, the Redondo Council passed the installation of meters throughout the business area. President Truitt Berryman of the Village Assn. spearheaded the protests.

Our sources in the association inform us that it was understood that the Council would take no action until after a hearing on the matter which was set up for Aug. 15. Then, unbeknownst to the Assn. and its officers, the Redondo Council last week passed the meter installation.

At a special meeting held last Friday morning, an assemblage including Assn. officers and directors, Redondo Mayor LeRoy Center, and various city officials heard Traffic Consultant Ralph Dorsey recommend the city delay at least 60 days while the Riviera Assn. members formulate ideas for alternative parking.

Association members feel this is only fair, since they were given only six days to present any concrete ideas on a master parking plan for the Village. As Prexy Berryman put it, "It's not sufficient time to formulate any good ideas." The move now passes to Redondo's Council. To this writing, they've given no indication of whether they'll be lenient or arbitrary.

Fall plans were outlined at a board meeting of Las Vecinas held last week at the home of its president, Mrs. Henry Schmal. First program for the Riviera women's club will be on Sept. 26 at the Elks Hall in Redondo Beach at 1 p.m.

Mrs. LeRoy Alles is scheduled to speak on the physical therapy department at Harbor General hospital. Las Vecinas has helped to support this department for many years and the report should prove of personal interest to each member. The program will be under the direction of program chairman Mrs. Charles Sturgill and her committee.

Plans are now being completed for the club's annual pancake breakfast to be held Oct. 30 at El Retiro park. The breakfast, open not only to members of the club but to Riviera in general, is being planned by the ways and means committee headed by Mrs. Maurine Wilson.

It has also been decided that all future meetings of Las Vecinas will be held at the Redondo Elks Club.

Born to Mr. and Mrs. Gordon Lawrence, 209 Vista del Parque, at St. John's hospital in Santa Monica was a 4 lb., 9 oz. girl whom they have

named Caroline Louise. She joins 8-year-old Cynthia at the Lawrence's Riviera home.

Dr. and Mrs. Hershel Kopp, 116 Via la Ciruela, have entertained her parents, Mr. and Mrs. Ted Schlaegel of Indianapolis, for the past three weeks.

The Schaegeles hosted a birthday party last week at the Fish Shanty in honor of their daughter. Helping her celebrate were her husband and two sons, Larry and Ronnie; Mr. and Mrs. Jack Saylin; and Mr. and Mrs. Al Koester and their daughters, Karen and Marlene.

Summer is vacation time and the reports on hand call for a round up of typical Riviera vacation adventures:

Mr. and Mrs. Al Lukes, 344 Calle Miramar, motored to Wisconsin to visit her parents, Mr. and Mrs. Aden Ward. They were accompanied by their niece, Barbara Ward, also of Wisconsin, who is returning home after a six-week stay in Riviera.

Mrs. John Diehl, 915 Calle Miramar, has returned to Riviera after an extended tour of Europe. She flew to New York, crossed the Atlantic by steamship Statendam of the Holland Line, landing at Le-Havre. A trip to Paris followed, then south to the Riviera and into Italy. She toured Rome, Genoa, Venice, and thence to Switzerland and into Germany. From Germany, the route led to Holland and then England and home. She was accompanied by her mother-in-law, Mrs. Maude Diehl of Kansas City.

Mr. and Mrs. W. L. Bonnette, and family, 132 Via la Ciruela, have made the grand tour of Los Angeles County. With them the past two weeks have been her father and mother, Mr. and Mrs. H. A. Kirsch of New Jersey and it was for them that the Bonnettes made the Los Angeles Sightseers Circuit.

All the usual spots—Disneyland, Knott's Farm, Marineland, etc.—went onto the agenda. The Bonnettes climaxed her parents visit with a tea held last week to introduce them to neighbors and friends in Riviera. Actually they served coffee, but we understand that journalistically, you can't say they held a "coffee" no more than you can say they held a "milk," or a lemonade." So when we say they held a tea, interpret it liberally, please.

On Saturday, July 27, in Las Vegas, Nev., Patricia Ann Mahoney, daughter of Mr. and Mrs. Robert Mahoney, 331 Calle de Andaluca, was married to George Smith, son of Mr. and Mrs. W. H. Smith of Torrance. It was a double ring ceremony. The couple is at home in San Diego where the bridegroom is serving with the U. S. Navy at North Island.

Into the city on a combination luncheon and shopping tour went three Via Alamedans last week. They were Mrs. James Greer, 142 Via Alameda and the Greers house guest, Mrs. Ralph O. Greer of Phoenix, Ariz.

Climaxing a morning shopping tour on July 31, they lunched at the Beverly Hilton hotel. Next evening, with their husbands, they attended a cocktail party honoring the fourth wedding anniversary of Mr. and Mrs. Elwin Caldwell, 200 Via Alameda. The Caldwells are new residents of Riviera, having moved here from Atlanta, Georgia.

Linda Coyle, daughter of Mr. and Mrs. Robert Coyle, 110 Calle Andaluca, celebrated her seventh birthday on Aug. 2 with a party at her home.

Centerpiece of the festive table was a huge gaily decorated watermelon. Games were played and prizes awarded. Linda's guests included Donda Martinovich, Sharon McBurney, Jill Webb, Ann Brookley, Sherrill Selleck, Joel and Jeff Faux, Michael and Steven Semos, and John Russo.
